LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

May 1, 1998

On Friday, May 15<sup>th</sup>, 1998 there will be a gathering of 180 alumni/ae from the Christian Brothers' Schools in the Philadelphia area. This is a first time effort at bringing together such a diverse group but one that shares a common heritage. La Salle University, West Catholic High School and La Salle College High School are the three schools participating in the event. The La Salle University Alumni Association has received 60 tickets to the event. The cost of each ticket is \$100 per person. The cost of the evening is \$50; this will result in a \$50 contribution to The Christian Brothers for the benefit of the elderly Brothers. Tickets are available starting March 26<sup>th</sup>. If you cannot attend but want to help, you can "sponsor" a Brother for the price of \$50.

From: John S. Grady, for the Faculty Fellowship Committee

Re: Competition for Fulbright, Marshall, and Rhodes Fellowships in the Fall term of 1998

Each of the major national fellowship competitions – Fulbright, Marshall, and Rhodes – has been moving their application deadlines earlier into the Fall term. For the coming year, these deadlines will occur in early to mid-October. This has forced the Fellowship Committee to address the need to have potential candidates return to the campus in September well along in the application process. We ask your assistance in this endeavor.

Please review the records of students you advise and or students majoring in your department who will be graduating in May of 1999 and whom you believe might be potential fellowship candidates. To be realistic, these candidates should have the following GPA as they enter senior year:

Marshall: requires a minimum of 3.75; suggests a 3.9 as more realistic

Rhodes: suggests a minimum of 3.9

Fulbright: suggests a Dean's List standing, but a 3.0 minimum would be considered

Letters have been sent to all Dean's List students who are on target to graduate in May of 1999, alerting them to a meeting that will be held on Thursday, April 30<sup>th</sup>. What I would ask of you at this time is to forward to me the names and local addresses of any students you believe should be made aware of these opportunities. If they were not at the meeting, I will contact them and make sure they have all the necessary materials. If possible, before you send along a name I would ask that you consult with the student to ascertain if there is interest on his or her part in any of these fellowships. Names and local addresses may be forwarded to me via campus phone (Ext. 1360), mail (Box 322) or e-mail.

We must get these students started on this process over the summer if they are to compete in any realistic manner for these awards. Your help will be most appreciated.

**N. B. THE DEADLINE FOR FACULTY AND ADMINISTRATORS TO NOMINATE STUDENTS FOR THE 1998 COMPETITION IS JUNE 1, 1998**

## LA SALLE PLACES 132 STUDENT-ATHLETES ON ATLANTIC 10 ACADEMIC HONOR ROLL

PHILADELPHIA – La Salle University had 132 of its student-athletes honored by the Atlantic 10 Conference on the Commissioner's Honor Roll, recognizing student-athletes with a cumulative grade point average of 3.0 or higher.

This year's honor roll total is higher than in 1996-97, when 120 Explorers achieved a 3.0 GPA or higher.

Ranking third in the 12-member conference for total honorees, La Salle has nearly 38% of its eligible student-athlete population (Atlantic 10-sponsored championship sport) on the Commissioner's Honor Roll.

Duquesne heads the list with 164 and Massachusetts is second at 139. Following La Salle is Rhode Island (130), Virginia Tech (129), George Washington (124), Dayton (118), Xavier (110), St. Bonaventure (93), Fordham (89), Temple (84), and St. Joseph's (72)

Seven student-athletes were recognized as Academic All-Atlantic 10 in his/her respective sport. In men's soccer, **Cesidio Colasante (Salesianum/Hockessin, DE)** made the list, as did **Natalie Sibley (Kennedy-Kenrick/Lafayette Hill, PA)** in field hockey. **Carrie Jewett (Centennial/Circle Pines, MN)** gained the award in women's basketball, **Dina Dormer (Cardinal O'Hara/Springfield, PA)** in women's swimming, and **Brian Gallagher (Stratford/Sterling, NJ)** and **Rachel Ritz (Hazleton/Drums, PA)** and **Elena Gomez (Indiana/Indiana, PA)** in track & field.

DATE: April 29, 1998

SUBJECT: Model United Nations (MUN)/Fall '98

Would you please encourage your students to consider participating in the upcoming (Fall '98) Model UN competition? Interested students should call me at 215-951-1948 or e-mail [emshomba@lasalle.edu](mailto:emshomba@lasalle.edu), preferably before they depart campus for the summer. The priority registration deadline for the Fall competition is September 16, 1998.

As its name implies, MUN is a simulation of the United Nations. It is a worldwide system of conferences, mostly in the U.S. but also in other countries, where students represent nations and diplomats in debating current global issues over the course of a day or a few days. The 32nd annual University of Pennsylvania Model United Nations Conference (UPMUNC) will be held in November. UPMUNC is the world's largest collegiate conference in the fall semester, with nearly 60 colleges and universities from across the U.S. and Canada (including schools like Harvard, MIT, and the University of California at Berkeley). We were proud to be among them for the first time this past year, with support from our Student Activities Funding Board. We plan to participate again this Fall, November 12 – 15.

Depending on the number of delegates a school sends (a few send more than 50), schools are assigned a country or countries to represent and individual delegates are assigned to committees. To prepare for the conference, students do research on the country they are representing and write position papers on the two or three issues before their respective committees. Awards are given for outstanding delegates and delegations. The experience does wonders for students – helping them develop their critical thinking, communication, and interpersonal skills, their base of knowledge, enthusiasm for learning, etc.

This past year our team represented Uzbekistan at the UPMUNC conference and was comprised of four students: Richard Fumey, Annie Hounsokou, Marc Santugini-Repiquet, and Dave Stanoch (lead delegate). They were joined by 7 other students at the MUN conference at Harvard University this past February, where they represented Dominica. They were supported by the Student Activities Funding Board, the Cross-Cultural Association, the Economics Department, and the Office of International Education. The students came back with a great deal of enthusiasm and are eager to start their preparation for this Fall's conference. They hope more students will also get involved. They have already organized themselves as a registered student organization, known as the International Relations Council.

Please feel free to call (951-1948) or write ([emshomba@lasalle.edu](mailto:emshomba@lasalle.edu) or Box 406 through Campus Mail) for more information. Thanks.
